MINUTE ENTRY

The Court is prepared to sign the Shepherd Decree. However, Husband has complained in the past he has not received filings from Wife; therefore, the Court's staff inquired if Husband had received a copy of the Decree from Wife and he had not.

IT IS THEREFORE ORDERED Wife shall immediately send a copy of the lodged Decree to Husband. Husband may, after receiving a copy of the Decree, file any response or objection to it he may have.

The Court has reviewed the Decree submitted by Wife and questions:

There is no mention of the 61" TV to Husband; there is no mention of the payment of the equalization payment from Husband to Wife; there is no mention of the dirt bike to Wife nor the computer to Wife.

The Court denies Mother's request for "working condition" as Husband has responded and states that the bike has been in pieces for a very long time which Wife knew.

The Court will sign the Decree of Dissolution by 6/27/11.
